

Een gehaakte bloem

v14593

Deze bloem is gehaakt van katoengaren in twee kleuren met een nr. 4 haaknaald.

Hoe werkt het

- 1.**
Crochet 4 chain stitches.

- 2.**
Make a ring by finishing with a slip stitch in the first chain stitch.

- 3.**
Crochet 10 double crochet stitches around the ring and finish with a slip stitch.

- 4.**
In the next round crochet 2 double crochet stitches into each stitch. Finish with a slip stitch.

- 5.**
Change to a different colour yarn and crochet 1 double crochet stitch into each stitch all the way around. Finish with a slip stitch.

- 6.**
In the next round crochet 4 chain stitches, skip 2 double crochet stitches and crochet down with a slip stitch. Repeat all the way around the ring, making 10 arches in total.

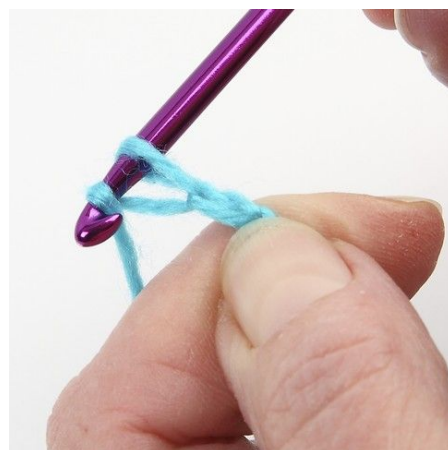

7. Crochet in each arch: 1 double crochet stitch, a 1/2 basic treble stitch, 3 basic treble stitches, a 1/2 basic treble stitch, 1 double crochet stitch. Follow this procedure for all the arches all the way around the ring. Finish with a slip stitch in the first stitch of the round.

8. Finish the flower with a row of chain stitches along the border in the same colour as the colour used in the middle of the flower.
