Print the template which is available as a separate PDF file for this idea. Cut out, copy onto design paper and cut out. A TIP: Attach the template directly onto the design paper with tape and cut through both layers in at once. (In this example we have made three feathers).

2

Attach the designs onto the front of the greeting card using 3D foam pads.

3

Decorate further with a sticker according to your own taste.

4

Decorate with self-adhesive rhinestones according to your own taste.
