

Menukaart voor huwelijk met trouwjurk en smoking

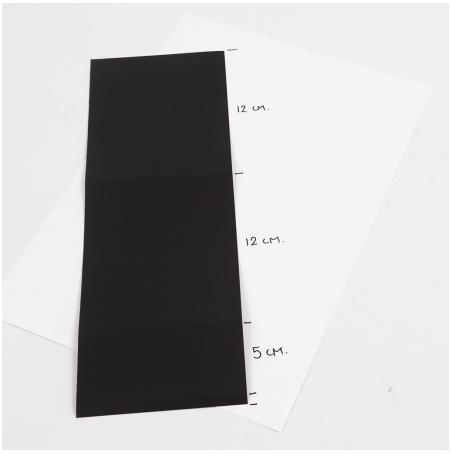

v15658

Maak zelf mooie menukaarten voor een trouwerij met trouwjurk en smoking.

Hoe werkt het

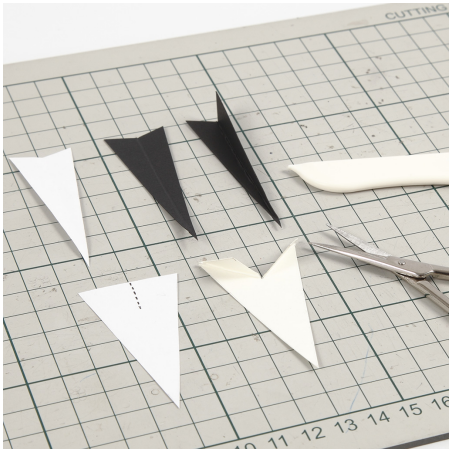

1
Cut an A4 piece of card in half lengthwise to make two menu cards.

2
Mark where to fold as shown in the photo and score.

3
Punch out the dress from laced card using a die-cutting and embossing machine.

4
Use the template which is available as a separate PDF file on this page. Cut out the various parts for the groom's dinner jacket: Make one shirt part from off-white card and two shirt parts from black card for the collar. Score and fold as shown in the photo.

5
Punch out the tie for the groom's dinner jacket from black card.

6
Fold the card and glue on all the parts using a glue pen. Write 'Menu' on a piece of white card and glue it onto the front of the card framed by a piece of laced card. Print the actual menu onto a white piece of A4 paper, roll it up, tie it together with satin ribbon and place it inside the card.
